I have been with the U-Haul company for over 41 years as a Area field Manager for the U-Haul company of Knoxville. I have been a member of TNSSA almost since the creation and a board member/past President for over the past 10 years. I am proud to say that I have not missed a TNSSA in close to 15 years. That is how much this organization means to me. We have watched and enjoyed to see the growth to what it is today. The luncheons and our business seminars are always informational. Just meeting the new members and seeing the current members each luncheon is inspirational. I hope to see you at our next meeting.
